4. Click the form you wish to complete.
5. Once you have completed the form hit the **Submit** button. An email will be sent with the information you completed on this form to the contact emails that you inputted. If you do not see an email in your inbox, please check your junk email folder.
6. Copies of your submission will be sent directly to GeoVerra for review and approval at thirdpartyrequests@geoverra.com. Follow-up emails can also be directed here.

Regarding new addendum requests

- * For new road use addendum request's locations that fall within the Caribou Protection Zone will still require a copy of the AER Approved Disposition Number certificate before road use can be granted.
- * All road use within the FMA or quota areas must have a land withdrawal consent in place prior to receiving a road use addendum.

Regarding road use notifications and permit submissions

Once submitted the subject line will include a unique number – this is the Permit ID, should there be a road ban on ANCs roads, the truckers can show/provide this number to the security gate at KM103.
