ANC HAUL ROAD UPDATE

Attention Road Users:

ANC has recently installed an automatic access management gate at km186 on the ANC Haul Road (NE 17-58-26-W5).

As a road use agreement holder in this area, your company will be issued an authorized access code from ANC. It is your responsibility to provide this code to your authorized employees, contractors and vendors.

If you did not receive a code, please email thirdpartyrequests@geoverra.com

This code must not be given out to any unauthorized users. This gate is video monitored 24 hours.
